

HIGH PRIORITY

Validation of Initial Arrival in J-1 Status

Information for Exchange Visitor (EV) Physicians

The initial arrival of each EV physician to the United States must be immediately validated by ECFMG[®] in the Student and Exchange Visitor Information System (SEVIS). Failure to provide timely reporting of arrival to the United States may invalidate your SEVIS status and negatively impact your ability to remain in the United States and/or affect future immigration benefits. Please note the following with respect to your arrival in the United States and ongoing maintenance of J-1 status.

- **Arrival to the U.S. in J-1 Visa Status:** Work with the Training Program Liaison (TPL) at your host institution to complete this form and submit required documentation.
- **Social Security Number (SSN):** SEVIS validation is required to apply for a U.S. SSN; J-1 physicians must wait 11 business days after being validated in SEVIS before applying for an SSN. Validation status can be confirmed in OASIS. Validated records are marked "active." On the Social Security Card application, at the question about "citizenship," J-1 physicians should select "other."
- **Maintenance of J-1 Status:** Once in "active" J-1 status you are required, at minimum, to:
 - » Follow all rules and regulations of the J-1 exchange visitor program
 - » Notify ECFMG of any proposed change in your training plan
 - » Respond *promptly* to all information requests initiated by ECFMG

Failure to comply with any of the above could result in termination of your sponsorship and associated J-1 status.

NOTE: All EV physicians must enter/begin the training program within 30 days of acquiring J-1 visa status.

Information For TPLs

Please work with each new/incoming EV physician to complete this form and provide required documentation to ECFMG as soon as possible following initial arrival in the United States. Once validated in SEVIS by ECFMG, the physician's program start date cannot be changed.

NOTE: All EV physicians must enter/begin the training program within 30 days of acquiring J-1 visa status.
